

REELSVILLE HOMECOMING LARGE AFFAIR

MANY ATTEND OPENING NIGHT OF SCHOOL OBSERVANCE

The Home coming celebration at the Reelsville school opened Tuesday evening with a splendid display of talent and promises of a bright future for the town. A large crowd was on for tonight and tomorrow night, when the celebration will come to a grand close.

A feature of the opening evening was the country style dinner served by the Parent Teachers Association and many from various sections, especially from Greencastle, took advantage of it and had a fine dinner at the celebration, and also enjoyed the remainder of the program.

One of the forms of entertainment was the horse pulling contest, held at six o'clock. Three classes were made up and some fine pulling exhibitions were given.

The winners in the various classes were as follows:

Heavy Weight Division
Glen Waldron, Cloverdale, team weight, 3670; weight load, 4800 lbs., 1st.

Clem Douglas, Cloverdale, team weight, 3155; weight load, 4800 lbs., 2nd.

Wayne Roach, Brazil, team weight, 2990; weight load, 4800 lbs., 3rd.

Mac Thompson, Brazil, team weight, 2995; weight load, 4800 lbs., 4th.

Light Weight Division
Harold Querry, Poland, team weight, 2740, weight load, 4,000 lbs., 1st.

Nick Bullardick, Poland, team weight, 2650, weight load, 4,000 lbs., 2nd.

Everett Phipps, Carbon, team weight, 2760; weight load, 4,000 lbs., 3rd.

Middle Weight Division
Mac Thompson, Brazil, team weight, 2995; weight load, 5200 lbs., 1st.

Wayne Roach, Brazil, team weight, 2990; weight load, 5200 lbs., 2nd.

Clem Douglas, Cloverdale, team weight, 3155; weight load, 4800 lbs., 3rd.

Harold Querry, Poland, team weight, 2800 lbs.; weight load, 4800 lbs., 4th.

The various positions were determined by the distance the teams pulled the specified weights.

TO TAKE HEIFER TO STATE FAIR

The Putnam County Holstein Breeders Association is sending Bobby Zeigleman of Cloverdale Township and his prize winning Holstein Heifer to the Indiana State Fair on August 30th.

This is a part of the association's program to encourage more participants in 4-H Club work with Holstein cattle. Other steps have been taken by the association which indicate that the enrollment in dairy clubs with Holstein cattle will be substantially increased within the very near future.

The Zeigleman heifer was the champion Holstein animal at the recent Putnam County Fair.

DR. W. A. MOSER FUNERAL WILL BE SATURDAY

FORMER PHYSICIAN OF BELLE UNION DIED IN GRANTS PASS, ORE.

A telegram was received Friday by J. W. Herod, announcing the death late Thursday of Dr. William A. Moser at his home in Grants Pass, Oregon, where he had made his home for the past fifteen years. Prior to that time he spent much of his life in Putnam county, having practiced medicine at Belle Union for many years.

He was born and grew to manhood in south-east Putnam county, where he will be well remembered by many friends and acquaintances. Dr. Moser was a member of the Church of Christ and at the time of his death was a member of the Oregon State Senate, representing the Grants Pass district.

Dr. Moser is survived by the widow, two sons, Dr. C. J. Moser and Morris Moser of Grants Pass and two sisters, Mrs. Ella McCoy and Mrs. Ida Cradick, both of Putnam county.

Funeral services will be held in Oregon Saturday afternoon at two o'clock with burial in Grants Pass.

BOARD DECIDES ON RESIGNATION

At a meeting of the Presbyterian Church congregation held Thursday evening at the church the resignation of the pastor, Victor L. Raphael, was acted upon. Despite the unanimous vote of the congregation present to retain him, the minister's resignation will become effective September 1. After that date he will take up his new work at Spencer.

Each of the church organizations was instructed to appoint one member of their group to serve as a pupil committee to select the Rev. Raphael's successor.

TEEN AGERS CANTEEN TO OPEN ON SAT.

PUBLIC IS INVITED TO INSPECT THEIR NEW HEADQUARTERS

Greencastle's new Teen Canteen headquarters are all ready for opening night Saturday, August 17. Teen-agers have been hard at work for the past six weeks to redecorate their new home located just behind the Christian Church on Poplar Street, and Saturday night from 7 to 12 they are inviting the general public to come and see the results of their labor.

Mrs. Edith Aanderud, the summer advisor, said today that plans are being made to open the canteen three nights a week for three hours each evening and for four hours on Saturday night. Dancing and pingpong are the only activities at the recreation center at the present time, but canteeners hope to be able to receive and purchase more equipment soon.

Gene Hedge was the president of the organization which began work on the canteen home, but since the work was first begun, Uncle Sam found a greater need for Gene. Now George Stewart is the acting president. Faunell Brattain is acting as cashier in charge of the canteen.

The Teen Canteen organization was first established in 1944 and was then quartered in the old high school gymnasium. The activities became more varied and membership increased until now they have a four room home of their own.

Adult advisors for the canteen include Mrs. Russell Vermillion, Mrs. Lois Arnold, Frank Cannon, Roy Sutherland, and Perry Rush.

Chris Hamilton, himself a teen ager, has done all of the painting and other teen agers who have worked on the redecorating and other committees for the canteen include: Faunell Brattain, Wanda Buis, Betty Ann Call, Marianne Graham, Charlotte Hammond, Marilyn Hutcheson, Martha McMain, Mary Pettit, Jeanne Stultz, Peggy Tennant, Helen Tzouanakis, Mable Walbring, Robert Akers, George Boyd, Joe Clapp, Jack Crosby, Steve Deer, Jimmie Flint, Robert Gardner, Joe Garwood, Lloyd Grimes, Jimmie Headley, Gene Hedge, Tommy Judy, Jack Moss, Larry Stellings, George Stewart, and Rex Terry.

While most of the details were missing in the announcement by Philco Vice President James Carmine, it was made clear that Crosby would use a lot of transcriptions instead of "live shows," thus starting a new trend in big time radio programs.

CROSBY SIGNS CONTRACT NEW YORK, Aug. 16—(UP)—

Radio's biggest and longest guessing contest was ended today with announcement by the Philco Radio Corp. that it has hired the crooning talents of Bing Crosby for an air show to start in October.

While most of the details were missing in the announcement by Philco Vice President James Carmine, it was made clear that Crosby would use a lot of transcriptions instead of "live shows," thus starting a new trend in big time radio programs.

SUCCESSFUL GIRL SCOUT CAMP HELD

At a recent meeting of the Girl Scout Council, Mrs. Robert Williams presiding, a report was given on the operation of a highly successful three week camp at McCormick's Creek Park. The members of the camp committee are Mrs. Willard sungel, chairman, Mrs. Roscoe Scott, Mrs. Clarke Arnold, Mrs. H. H. Brooks, Jr., Mrs. Lynn Brown, Miss Leota Colpitts and Mrs. Albert Dobbs.

Mrs. Sunkel reported a camp enrollment of 169, including 65 Brownies. In addition to Greencastle other towns represented were Roachdale, Salem, Princeton and Paris, Ill. Those who qualified as Junior Life Savers were Jo Mae Arnold, Alice Van Cleave, Sae Moffett and Sally Stellings.

The camp staff consisted of the following: Mrs. Dewey Annakin, director; Ruth Ellen Pelley, assistant director; Mrs. Elmer Van Cleave, business manager; Mrs. Robert Gould, nurse; Mrs. Elsie Pennington and Mrs. Frank Lane, dietitians and cooks; Patricia Cunningham, water front director; Mrs. D. W. Smythe, handicraft; Mrs. Bert Kemp, handcraft assistant; Mrs. John Andrew, Mrs. Evan Crawley, Mrs. Claud Hanna, Ann Mitchell, Ann Buchheit, Allegra Redding, Virginia Zwickel, Sally Lord and Mimi Lord, counselors.

It was voted to express the thanks and appreciation of the Council to those citizens of Greencastle whose cooperation and assistance in various ways, including camperships, made possible the success of the camp.

The Council also expressed appreciation to the members of the camp committee and to Mrs. Van Cleave, the business manager, for their untiring efforts during the camping period.

WORK OUT DETAILS ON KINDERGARTEN

Mrs. George Tennis, President of the Kindergarten Mothers' Club, met Thursday evening, August 15 with the Kindergarten Council composed of Mrs. J. H. Turk, Mrs. Eugene Akers, Dr. Earl Bowman, Mr. Eugene Akers and Mr. T. A. Kleckner to make final plans with Mrs. Polly Bullock for the opening of the kindergarten on September 3. There is still opportunity for registration for the afternoon session and parents with children 5 years of age are urged to communicate with Mrs. George Tennis to make arrangements for enrollment, telephone 383. This kindergarten experience has proved quite helpful to boys and girls upon entrance in the first grade of the public schools. The program of work is being planned cooperatively by the first grade teachers of the public schools and Mrs. Bullock, which will coordinate the work of the kindergarten, pre-primary and primary grades.

FLIES TO PEACE MEETING

LONDON, Aug. 16.—(INS)—British Colonial Secretary George Hall flew to Paris today to consult with Foreign Secretary Ernest Bevin regarding the Palestine situation.

DEMONSTRATION TO BE CONDUCTED

Monday afternoon, August 19th, Mr. C. M. Long of the Lafayette Farm Clinic and C. A. Webb, local Ford Ferguson Distributor will conduct an alfalfa seeding demonstration on the farm of Mrs. Dorothy Devaney of Marion Township.

This demonstration will be in cooperation with and under the guidance of the local Soil Conservation District office and the County Extension Office. A soil tiller will be used on pasture land which has been too hard to break with the conventional type of equipment. The purpose of this demonstration will be to encourage fall alfalfa seeding under normal conditions. The public is invited and it is felt that all farmers may benefit from this type of farm practice.

Conditions In Indiana Topic

Addressing an audience of Greencastle Kiwanians on Thursday, Dr. Chester B. Camp, held the attention of his listeners with an interesting talk on economic conditions in Indiana. Research director of the Indiana Economic Council, Dr. Camp was introduced by Dr. Hiram E. Jome.

Facts brought out by surveys made by the Council were the basis for Dr. Camp's address on problems facing the State today. Housing and transportation were discussed, and in connection with housing, Dr. Camp expressed the opinion, which he claimed was based on actual investigations, that the housing situation is not nearly so critical as we have been led to believe.

The speaker admonished business men and said that they should solve the economic problems existing in their communities and that they could not be solved by Washington, Dr. Camp blamed many of the problems facing business men today on the weakness in their conduct of business as a whole which has resulted in pressure from the public, resulting in more government controls. He said that if business would face these problems more intelligently and do something about them there would be less government regulation.

Dr. Yeager, Putnam County farmer and psychology professor at Indiana University, was a guest of the Kiwanis Club.

SPECIAL INVESTIGATING COMMITTEE IS CALLED

WASHINGTON, Aug. 16.—(UP)—A special House investigating committee today called officials of the war assets administration to learn whether they gave an airfield to an institution established to train American business men for foreign trade.

The question was raised by Rep. Ross Ritzley, R., Okla., a committee member who said he had been informed that the field was "sold" to the American institution for foreign trade for \$407,000. But, he added, he had been told that the price was discounted 100 per cent.

"If the price was discounted 100 per cent, then it must have been a gift," Ritzley said. "I do not know whether that is true but I certainly believe we should find out."

GEN. MARSHALL MEETS WITH CHINESE LEADERS

NANKING, Aug. 16.—(UP)—Gen. George C. Marshall, special American peace envoy, and T. V. Soong, chief Nationalist negotiator, arrived in China's summer capital of Kuling today for important conferences with Generalissimo Chiang Kai-shek.

The Kuling conference will be Marshall's first meeting with Chiang since the gloomy American statement of Aug. 10 in which Marshall and Ambassador J. Leighton Stuart said China's internal conflict appeared "impossible" of settlement.

Failure of American peace efforts, virtually admitted in the Stuart-Marshall statement, might mean the closing of executive headquarters at Peiping. Such a move would leave little opportunity for future Communist-Nationalist negotiations and bring China nearer to an all-out civil war.

Latest Wire Flashes

WASHINGTON, Aug. 16.—(INS)—President Truman today joined the Palestine question with the broader problem of aiding all displaced Jews in Europe by pledging himself to seek authorization for the admission of an unspecified number into the United States.

The Chief Executive, in a formal statement, scotched reports that the United States has presented a plan of its own on the controversial and inflammatory Palestine problem.

WASHINGTON, Aug. 16.—(UP)—OPA economists estimated today that price increases authorized on durable consumer goods in the last 24 hours will cost the buying public an extra \$150,000,000 before the end of the year.

They believed that Americans this year will spend around \$3,000,000,000 for washing machines, stoves, radios, electric irons, toasters, vacuum cleaners and other items on which prices were boosted yesterday.

WASHINGTON, Aug. 16.—(INS)—The OPA announced today that beer ceiling prices at bars, taverns, restaurants and hotels have been raised one cent for a glass or small bottle and two cents for a large bottle.

The increase, effective today are one cent for draught beer in glasses of eight ounces or larger, one cent for seven to 12 ounce bottles or cans, and two cents for 32 ounce bottles.

Also announced was a dollar and cent price schedule for 1945 and 1946 used automobiles, the prices approximating new car prices.

More Signs Of Poisoning Found

MADISON, Ind., Aug. 16.—(INS)—Coroner Sidney Haigh said today that mercury poison had been found in the remains of "Uncle Fred" Giddings, who died after being nursed by Mrs. Lottie Lockman, 62 year old alleged murderer.

Coroned Haigh received a report by telephone from Dr. Rollo N. Harger, Indiana University Medical School toxicologist, that his analysis of the remains of Giddings revealed lethal quantities of the poison in the kidneys and liver.

Dr. Harger also reported that indications were that the poison had been administered over a period of time.

"Uncle Fred" Giddings died at the age of 90 after being nursed for four years by Mrs. Lockman, who inherited approximately \$1300 from his estate. He was a retired farmer and livery stable owner.

State Police Detective Graham Tevis announced following Dr. Harger's disclosure that Mrs. Lockman would be questioned again concerning the new report.

Mrs. Lockman already faces charges of the poison murder of Mrs. Minnie McConnell, and the attempted poison slaying of her daughter-in-law, Mrs. Mamie McConnell.

She nursed Mrs. Minnie McConnell for some time prior to death and was taking care of Mamie McConnell, who is an invalid.

When Mrs. Lockman was informed of Dr. Harger's report by one of her attorneys, Eugene Cooper, she denied that she had administered poison to the aged man.

Mrs. Lockman said: "It's preposterous to say that I killed such a good friend. I never harmed anyone. I feel better than I ever have."

The defendant explained the finding of mercury poison in the remains by saying:

"He took a lot of calomel. 'Mercury is an element of calomel.'"

At Indianapolis Dr. Harger elaborated on the report he had given Coroner Haigh, then asserted:

"I am as yet unwilling to state that the deaths of Mr. Giddings and of Minnie McConnell were due to mercury poisoning."

TO ANNOUNCE DECISION ON TUESDAY NIGHT

DECONTROL BOARD TO DECIDE ON PRICE CEILINGS

WASHINGTON, Aug. 16.—(UP)—The price decontrol board, wading through a mass of conflicting testimony, today promised to hand down an unbiased decision Tuesday night on whether to restore price ceilings on meat, grain and dairy products.

Obviously miffed at accusations it already had made up its mind to let OPA revive controls on major food items, the board bluntly declared that the important decision will be its own.

"Any past speculation as to our decision or any speculation between now and next Tuesday is pulled out of thin air," Board Chairman Roy L. Thompson said in a statement.

"We did not ask any government agency for any recommendation as to what it believes the board should do. The board feels that Congress intended us to base our decisions solely on our own best judgment."

"That is exactly what we intend to do."

Under the revived OPA law, the board has until midnight Tuesday to decide whether price ceilings will be restored on meat, grain, dairy products, cotton seed and soy beans. Controls automatically will be clamped on again Wednesday unless the board rules that the ceiling prices should not be re-established.

Thompson, and the other board members—Daniel W. Bell and George H. Mead—also are instructed under the law to rule whether subsidies are to be restored on those products and, if so, to what extent.

Thompson said the board will release simultaneously its decisions on all questions it has under consideration.

The mountain of evidence that the board must digest in five days includes hundreds of briefs, charts and graphs submitted by industry, labor and consumer groups. Added to this is testimony offered by more than 100 witnesses. The hearings began Monday and adjourned last night.

CIO President Philip Murray urged the board to restore ceilings on all the commodities under study, roll back prices to June 30 levels, and resume subsidy payments.

"Something must be done to protect the living standards of American workers who are squeezed between rising prices and declining take-home pay," he said. "If action is not taken to protect the living standards . . . the stage will be set for another depression."

Just before Murray testified, more than 300 CIO officials meeting in Washington went down the line for restoration of price ceilings by approving a statement that "we cannot accept a situation in which wages are frozen while the cost of living soars." President Walter Reuther of the CIO United Automobile Workers union put it even more bluntly: the UAW will re-open wage negotiations in the automobile industry unless the administration rolls back food prices to the June 30 level.

The defendant explained the finding of mercury poison in the remains by saying:

"He took a lot of calomel. 'Mercury is an element of calomel.'"

Army To Ask For Draftees

WASHINGTON, Aug. 16.—(UP)—The army plans to ask selective service to call up 185,000 draftees between now and March 1, 1947, when the draft act expires.

Major Gen. W. S. Paul, War Department director of personnel, said 185,000 would be required unless there is a sudden and unexpected upward trend in voluntary recruiting.

Paul said the army would have only 825,000 volunteers by July 1, 1947, at the present enlistment rate. The army's authorized strength on that date, however, is 1,070,000.

The first call for 25,000 will be made in September. Other monthly calls will be about the same size, depending on enlistments.

Paul anticipated that 279,000 men would enlist between July 1, 1946 and July 1, 1947.

MARRIAGE LICENSE

William Herbert Mathas to Mary Katherine McCoy, Rockville.

20 Years Ago

IN GREENCASTLE

J. O. Cammack attended a meeting of Indiana photographers at Turkey Run.

OBITUARY

Paul Hurst, age 67 years, died suddenly of a heart attack at 6 a. m. Tuesday, Aug. 6, 1946, at his home west of Mt. Meridian, on State Road No. 40 in Jefferson township. He was born April 30, 1879, son of Martin and Virginia Caroline (Gose) Hurst. He grew to manhood in the Mt. Meridian neighborhood. On October 18, 1899, he was united in marriage to Miss Gertrude Cooper, daughter of John and Sarah Jane Cooper. To this union were born one daughter, Mrs. William Padgett and five sons, Victor, Harry, Alton, Carlyle and William Hurst. These all survive the father. Also surviving are the widow, Mrs. Gertrude Hurst; two brothers, Theodore Hurst of near Mt. Meridian and Lawrence Hurst of Fort Lauderdale, Florida, and ten grandchildren.

Mr. Hurst spent all his life in Putnam county, where he was a prominent and prosperous farmer. On his passing, he will be missed because of his deep and abiding interest in public and community affairs. He was a sincerely religious man, loyal to the church of his fathers, the Predestinarian Baptist church, and had belonged to the Deep Creek Baptist church for the past 45 years. He always led the singing at the church services. Probably he sang at more funerals, regardless of denomination, than any one in his part of the county. It was evident that he enjoyed helping on such occasions.

He was a man who directed his children, as they grew to manhood and womanhood in the right ways of living. These remembrances will linger with them and recall to memory what the Saviour said on one occasion: "This do in remembrance of me."

For the past three year Mr.

Hurst had been declining in health and apparently, "Was waiting for the break of day. When the shadows flee away." "Neath our eyes he faded slowly. Growing day by day more frail; Bearing sweetly all his sufferings Without murmur, moan or wail. Earth has lost its look of gladness, Heaven seems to us more bright, Since the spirit of our loved one Took its homeward, happy flight, And we long to cross the river, Long to rest upon that shore, There to see, to know our loved one With our Saviour evermore. Lord give us strength our loss to bear, And lead us in thy heavenly way That we may meet our loved one there, In realms of everlasting day."

CARD OF THANKS

We wish to express our thanks to our many friends and neighbors who have shared the deep sorrow with us during the death of our husband and father. We especially wish to thank the Elders Harold McCammack and Gene Hurst, the singers, Charles Rector and all who participated in any way.

Mr. Gertie Hurst and family.

Softball

Wet grounds again forced postponement last night of play in the local softball league. Only two games have been played this week. Laundry defeated Public Service and Morton won over Fillmore Monday night. This week does not end play in the league, as twenty-two games remain to be played. Each team will have played eleven games at the completion of the schedule.

STRONG RIVALRY IN GAME SUNDAY

Sunday, Aug. 18, Robe-An-Park, 2:30 p. m., the time, place and date of one of the best ball games of the year. Due to the strong rivalry between Putnamville and Carbon, Manager Dugan Boswell of the Carbon team has added several new players in an effort to repeat his previous victory over Putnamville.

Curly Williams, the manager of the Putnamville club, says he has a little surprise for the local fans and Mr. Boswell in the form of Bill Myers, former Russellville curve ball artist. Myers has lost but one decision a year, that to the strong Cravensfordville Merchants.

Come out Sunday to see what adds up to be one of the best ball games of the year.

Putnamville's lineup will include several stars, such as Agnew, Grimes, Hill, Crawford, Calloway, Taylor, Stringer, Lefty Williams, Myers, McCauley and Big Jake Weber, who did such a beautiful pitching job against Terre Haute last Sunday. All in all it should be the best lineup that the "Putt Putts" have put on the field this year.

List Of Dead In South Grows

MINDEN, L.A., Aug. 16.—(UP)—The name of John C. Jones, 28-year-old negro, today apparently was to be added to the growing list of recent violent southern deaths attributed to "person or persons unknown."

Officials said that they were "without clue" in the slaying of the cotton valley oil refinery worker whose body was found near here August 9 in what Deputy Coroner Thomas Richardson described as a "lynching."

Sheriff O. H. Haynes was the question witnesses further in the death here today, but said that he did not plan to ask for state or federal aid in his investigation.

Jones' battered and decomposing body was found one day after he had been released from jail here. He had been jailed after a Cotton Valley white woman accused him of attempting to break into her house. The negro was released when she failed to place a formal charge.

MAY SETTLE CASE STRIKE
WASHINGTON, Aug. 16 — (UP)—CIO (President Philip Murray today called a conference of affected unions Saturday to discuss action to end the strikes at the J. I. Case and Allis-Chalmers Co., farm equipment plants.

Murray said the prolonged walkouts and president Truman's refusal to seize the companies to effect a settlement would be discussed at two meetings in his office. The strikes have been in progress six months.

Predict Tie Up Of Ships
DETROIT, Aug. 16—(UP)—The National Maritime Union (NMU) predicted today that nearly 100 ships operating on the Great Lakes would be tied up by the two-day-old seamen's strike by nightfall.

Forty ships and 1,120 seamen have been idled by the walkout. NMU President Joseph Curran said, and more than 50 ships in transit were expected to tie up as soon as they reached layup ports today. Scores of dockwork-

ers also were idle because of the strike which started at midnight yesterday.

The union claim about effectiveness of the strike was direct contrast to a statement issued by President A. T. of the Lake Carriers Association, against whom the fight is centered. Woodall said that 309 out of the 318 spot check of lake vessels were in port, he said, out of 69 principle dock normally service Great vessels, all but two remained in operation.

SLAYER DIES IN ELECTRIC CHAIR
BOSTON, Aug. 16—(UP)—Skopp, 36, holdup-slender, Brookline, died in the chair at 12:37 A. M. (EST) day, after admitting "a life that called for it."

As he was strapped in death chair, he prayed for a clear, firm witness. He was assisted by Rabbi Benjamin man.

When the final switch thrown, Skopp appeared penitent but unafraid.

Earlier, in his cell he had written Francis J. W. that one of his greatest regrets in dying was that he had not seen the Brooklyn Dodgers in the next world series.
